**X International Workshop
on Lower Genital Tract Pathology
HPV Disease 2010 A.D.:
Coming into the Light
Viareggio 6-8 May 2010
Centro Congressi Principe di Piemonte**

Venue - Centro Congressi Principe di Piemonte - Viareggio (LU)

Date - May, 6-8

Language - The official languages of the Congress are Italian and English. Simultaneous translation will be provided.

Registration and Accomodation - You can download the registration and accommodation form directly from web site www.adriacongrex.it/hpv2010

Delegates' registration fees include Congress documents (final program, congress bag), 2 lunches and 4 coffee breaks. Enrolment will be guaranteed for the first 300 applications. A gala dinner will be provided. The contribution for the participation is 40 euros (10% Vat included).

Educational program - The request for formative credits has been sent to the Health Minister.

Travel information

BY CAR: Motorway A-12 Genoa-Livorno exit Viareggio; on the ring road exit Viareggio centro; follow the sign "Viali a Mare". For further information go to the web site www.autostrade.it

BY TRAIN: Viareggio railway station (line Genoa-Rome). The congress centre is on "Viale a Mare" about 2 Km from the railway station. For further information go to the web site www.trenitalia.it

BY PLANE: G.Galilei Pisa International Airport (20 km from Viareggio). From the terminal 5 minutes by taxi or by train to Pisa Centrale railway station. Many trains connect Pisa to Viareggio. For further information go to the web site www.pisa-airport.com

Abstract - All abstract must be sent to the Organizing Secretariat within February 15th 2010 to the following e-mail address hpv2010@adriacongrex.it.

The Scientific Committee will decide which abstract will be presented as oral communications or posters. A confirmation letter will be sent to the authors. For organizational reasons it is absolutely necessary not to exceed the assigned time for the presentation. Chairmen have the duty to let the assigned time respected. The presenting authors of oral communications or posters must pay the Workshop registration fee within February 15th 2010.

THURSDAY 6TH MAY

09.00 Registration

ROOM A - EDUCATIONAL WORKSHOP COLPOSCOPY AND THE MANAGEMENT OF CERVICAL DISEASE

Chairperson: **P. Scirpa**

- 09.30 The basic principles and classifications - **W. Prendiville**
- 09.45 Functional changes of the transformation zone in the different ages of life - **C. Zanardi**
- 10.00 HPV features in young women, pregnancy and menopausal status - **S. Dexeus**
- 10.15 Colposcopy & biopsy; what is its real sensitivity and bias? - **A. Ferenczy**
- 10.30 Variation in standards of practice across Europe - **P. Walker**
- 10.45 The follow-up of HPV positive women: an evidence based algorithm - **C. Meijer**

INTERACTIVE SESSION WITH AWARD

Chairperson: **A. Frega**

- 11.00 My 3 hardest cases
F. Boselli, G. Miniello, W. Prendiville

ROOM B - HPV RESEARCH SUMMARY OF THE LATEST ADVANCES

Chairperson: **S. Costa**

- 09.30 Natural history of HPV infection in women, our current understanding - **B. Moscicki**
- 09.45 Immune response and CIN progression or regression - **M. Stanley**
- 10.00 HPV RNA detection: an overview of the evidence - **R. Tachezy**

RECENT ADVANCE IN CERVICAL CYTOLOGY AND CYTOPATHOLOGY

Chairperson: **S. Prandi**

- 10.15 Biomarkers to tell progressive from regressive cervical disease - **J. O'Leary**
- 10.30 LBC in cervical cytopathology - **E. McGoogan**

INTERACTIVE SESSION WITH AWARD

Chairperson: **P. Dalla Palma**

- 10.45 My 3 hardest cases
L. Di Bonito, M. Desai, K. Atkins.

ROOM A - MAIN CONFERENCE

12.20 Introduction: **C. Gentili**

I PLENARY SESSION OPENING LECTURE

Chairperson: **P. Dalla Palma**

- 12.30 Comprehensive programmes for cervical cancer prevention - **P. Davies**

EPIDEMIOLOGY OF HPV INFECTION

Chairperson: **O. Nappi**

- 12.50 Repeated infections in the young women: how often do they occur? - **B. Moscicki**
- 13.10 Is immigration changing the trend of HPV infection in Western Europe? - **J. O'Leary**
- 13.30 Questions and Answers

13.40 Lunch

II PLENARY SESSION HPV & CERVICAL CANCER

Chairperson: **P. Davies**

- 14.40 HPV: not just cervical cancer - **J. Dillner**
- 15.00 Men and cervical cancer - **B. Moscicki**
- 15.20 HPV infection; is there a role for measuring HPV antibody levels? - **J. Dillner**
- 15.40 Questions and Answers
- 15.50 Coffee Break
- 16.10 Oral Communications

III PLENARY SESSION PREVENTION AND SCREENING

Chairperson: **G.L. Taddei**

- 16.10 Update on HPV testing for primary screening. What are we waiting for? - **C. Meijer**
- 16.30 The implementation of HPV testing for cervical cancer screening; practical considerations - **A. Szarewski**
- 16.50 Organised cervical screening: is it worth the effort? - **P. Davies**
- 17.10 Introducing HPV vaccination into countries with established cervical screening programmes; practical considerations - **L. Dillner**
- 17.30 HPV vaccination: what effects do we expect to see and when do we expect to see them? - **A. Perino**
- 17.50 Questions and Answers
- 18.00 **ROUNDTABLE**
Chairperson: **R. Navone**
The Bethesda System and other cytological classifications: time for an update?
K. Atkins, M. Desai, Y. Hirai

18.45 Adjourn

ROOM B

16.10 - 18.30 Oral Communication

FRIDAY 7TH MAY

ROOM A - IV PLENARY SESSION HPV VACCINATION

Chairperson: **G. Mojana**

- 08.30 HPV vaccines: the mechanism of action - **M. Stanley**
- 08.50 HPV vaccination: "Where we are now, where do we need to go?" - **J. Dillner**
- 09.10 HPV vaccination registries; do we really need them? - **L. Dillner**
- 09.30 HPV vaccination programmes: the current status in Europe - **P. Davies**
- 09.50 HPV vaccine cross protection; the data and the public health impact - **O. Iversen**
- 10.10 HPV vaccination; reducing the risk in sexually active adults? - **W. Huh**
- 10.30 Questions and Answers
- 10.40 Coffee Break

V PLENARY SESSION EDUCATION AND AWARENESS

Chairperson: **A. Iossa**

- 11.10 Difficult questions for clinicians about who and when to vaccinate - **P. Walker**
- 11.30 Awareness of HPV: what do people really know? - **J. Waller**
- 11.50 Sources of information about HPV and cervical cancer prevention - **L. Marlow**
- 12.10 Public health education and increasing the acceptance of HPV vaccination - **J. Waller**

12.30 The role of the physician in the prevention of cervical cancer - **L. Marlow**

12.50 Questions and Answers

ROOM B

08.30-13.00 **PARALLEL SESSIONS**

13.00 Lunch

ROOM A - I CLINICAL SESSION NEW ISSUES IN COLPOSCOPY PRACTICE

Chairperson: **M. Marchionni**

- 14.30 The European Colposcopy Guidelines - **P. Walker**
- 14.50 Recent innovations in clinical practice - **O. Iversen**
- 15.10 See and treat; results from clinical practice in Europe - **W. Prendiville**
- 15.30 Colposcopy: how to get the best out of it - **A. Ferenczy**
- 15.50 Questions and Answers
- 16.00 Coffee Break

II CLINICAL SESSION TREATMENT AND FOLLOW-UP

Chairperson: **R. Rossi**

- 16.30 Adverse obstetrical outcomes after treatment of CIN; a summary of the data - **W. Prendiville**
- 16.50 Adverse obstetrical outcomes; are treatment and follow-up practices changing? - **S. Dexeus**
- 17.10 Management of recurrent CIN - **R. Barbero**
- 17.30 Questions and Answers

III CLINICAL SESSION HPV DISEASES OF THE VULVA, VAGINA AND PENIS

Chairperson: **M. Fambrini**

- 17.40 Treatment of genital warts; what is new and what is not - **C. Penna**
- 18.00 Genital warts: a review of HPV vaccine efficacy - **M. Stanley**
- 18.20 EGW's: traditional and off-label therapies - **A. Ferenczy**
- 18.40 Questions and Answers
- 18.50 Adjourn

ROOM B - I CYTOPATHOLOGY SESSION OLD PROBLEMS, NEW SOLUTIONS

Chairperson: **P. Dalla Palma**

- 14.30 Screening and Cervical cytology: new trends in Japan - **Y. Hirai**
- 14.50 LBC; not only morphology - **E. McGoogan**
- 15.10 Computer assisted screening; comparing the options - **M. Desai**
- 15.30 Cervical cytology specimen adequacy: does LBC make a difference - **Y. Hirai**
- 15.50 Questions and Answers
- 16.00 Coffee Break

II CYTOPATHOLOGY SESSION MOLECULAR BIOLOGY IN THE CYTOLOGY LABORATORY

Chairperson: **A. Bondi**

- 16.30 Methylation markers: what they are and how they can be used in HPV screening - **C. Meijer**
- 16.50 Molecular markers to improve the accuracy of pap smears - **J. O'Leary**
- 17.10 HPV testing for quality control of cytology: a new opportunity - **F. Carozzi**
- 17.30 Questions and Answers

III CYTOPATHOLOGY SESSION UNANSWERED QUESTIONS IN DIAGNOSIS

Chairperson: **S. Prandi**

- 17.40 ASCH or HSIL; what are the differences - **K. Atkins**
- 18.00 The AGC Pap: management and follow-up - **A. Ferenczy**
- 18.20 Morphologic signs of viral integration - **K. Atkins**
- 18.40 Questions and Answers
- 18.50 Adjourn

SATURDAY 8TH MAY

8.00 Oral Communications

ROOM A - IV PLENARY SESSION SOME UNANSWERED QUESTIONS

Chairperson: **C. Gentili**

- 08.30 After treatment for CIN, what is the residual risk? - **S. Dexeus**
- 08.50 CIN: the two-disease concept "for the last time" - **A. Ferenczy**
- 09.10 HPV persistence but no disease: what should we do next? - **O. Iversen**
- 09.30 Second generation prophylactic HPV vaccines; what is on the horizon? - **A. Szarewski**
- 09.50 Whatever happened to the therapeutic HPV vaccines? - **M. Stanley**
- 10.10 Questions and Answers
- 10.20 Coffee Break

ROOM B

08.30 - 10.20 Oral Communication

ROOM A - IV CLINICAL SESSION PRACTICAL ISSUES IN THE MANAGEMENT OF CERVICAL DISEASE

Chairperson: **G.P. Cima**

- 10.40 The management of cervical intraepithelial neoplasia during pregnancy: is colposcopy necessary? - **W. Huh**
- 11.00 Guidelines for Pap testing, HPV testing and colposcopy in adolescents - **B. Moscicki**
- 11.20 Defining thresholds for investigation and treatment for women age 20-25+ - **P. Walker**
- 11.40 ASC-US and high-risk HPV testing: performance in daily clinical practice - **W. Huh**

ROOM B - IV CYTOPATHOLOGY SESSION PRACTICAL ISSUES IN THE DIAGNOSIS

Chairperson: **R. Navone**

- 10.40 Atrophic vaginitis versus invasive squamous cell carcinoma on ThinPrep cytology: can the background be reliably distinguished? - **E. McGoogan**
- 11.00 Atypical glandular cells, distinguishing artefact from true lesions in LBC specimens - **H. Hirai**
- 11.20 Cytological features of squamous cells involving endocervical glands - **L. Di Bonito**
- 11.40 Histologic implications of Pap smears classified as atypical glandular cells - **K. Atkins**
